FALL CLEAN UP NOTICE

ATTENTION ALL RESIDENTS:

**The last day for fall clean-up will be on
Friday, November 22, 2019.**

Please make sure debris piles are being separated into 2 piles. One pile should be for sticks only and the 2nd pile can be for leaves, twigs & pine needles. These piles need to be left out by the road, no further than 5 feet from the road or you can put the piles on the common island in the cul-de-sac for pick up. DO NOT place piles on pea stone driveways.

JH Services will be removing them throughout the season. The last day for pick up will be on Friday, November 22, 2019.

Your cooperation in this matter is greatly appreciated.

If you have any questions, please contact me at my office 203-264-6598.

Sincerely,
