Note: Definitions of terms initially capitalized are as found in Article I of the Declaration.

### **ARTICLE VII - TENNIS**

1. The Courts will be limited to the use of Members and guests. The management may request that a Member's identification be shown by at least one of the players using a court.
2. Players must wear smooth sole tennis shoes on the courts. The playing surface will be respected and hard objects will not be placed or struck on the court.
3. Good manners are expected and conduct shall be such as to minimize interference with the play of others. Do not chase balls across courts while play is in progress. Pets, food, beverages, breakable containers, trash or debris are not permitted in courts.
4. The last group to leave will lower nets and lock the enclosure.
5. When players are waiting for the use of a court, courts shall be vacated after two sets, or one hour after commencement of play, whichever comes first.
