

Spring 2013

Pond Place Press

Ah Spring! We are all ready for it, I am sure. We seemed to have survived the storms, especially that mammoth one, fairly well; despite broken trucks and snow mountains. Many areas of the state were snow-bound far longer than we were, so we can be thankful for that. We also didn't lose power and that was certainly wonderful!

Now's the time to start thinking about planting new flowers, shrubbery and trees! We'll have lots of activity cleaning up, sprucing up and renewing. Don't forget that if you are planning on staining, or otherwise updating or refurbishing the outside of your home, you will need to complete, file and wait for an approval of a Modification Form, available here as the last page of this newsletter, and always online at pondplace.org.

Spring Cleanup –The pickup of separate piles of leaves/needles and small branches from the roadside or cul-de-sac center islands has not yet be scheduled. Please look to the website or a sign at the entrance alerting us when to begin. If you care to, you may also check with the Town about what materials they will accept (they do not pick up in Pond Place), your trash service, and/or you may hire a contractor but they must remove their own materials.

Since the leaves and needles will be vacuumed up, they need to be free of sticks and NOT on the driveway stone areas. Do not put anything in paper or plastic bags. Only branches that can be picked up and carried will be allowed. This is not a project for limbs that require sawing and certainly not for anything done by a tree or landscape contractor, who must remove all their own debris. We are not picking up logs, and firewood-size tree parts; that is, it is a spring cleanup not a storm damage cleanup. Our landscaper must be able to handle the materials and will not be able to remove items that require sawing or cutting in any way.

Since we have instituted our clean-ups, our community looks so much better and a good deal of harborage and fire risk has been eliminated as a result of this on-going effort.

DEADLINE – April 21 for putting out leaves and branches.

Nice effort everyone! We certainly do have a lovely place to live!

Manager's Report - Spring 2013

As usual by this time of year, we anxiously await Spring and want to put the winter experience behind us. It seems to have become a pattern to reflect back on exceptional weather events, but already we see signs of new growth.

There will be another annual spring cleanup at a date to be determined so watch this space for an announcement as the date gets pinned down. **[DEADLINE – April 21 for putting out leaves and branches.]** Please remember to honor the deadlines and not put out materials after the program is over. Also remember to separate leaves/pine needles from the sticks, pile them in the center islands or on pavement, not on driveway stones which break the vacuum. This is a cleanup, not a forestry clearing, so our limit is branches that one person can carry at a time, and not resulting from a tree contractor's work.

This season we hope to do more maintenance on the fence along our property line toward Rte 44 and it looks like there will be the need for pavement patching in several areas.

There will be a concentration on inspecting houses for any needed exterior maintenance, especially power washing and staining, that will need to be done in 2013. Please evaluate your own conditions to get ahead of a violation notice, and remember that any exterior modification in the Building Guide requires prior written approval. The forms and Guide are online at Pondplace.org.

Another issue that will receive added attention is dog-walking, or more specifically cleaning up after dog-walking. Aside from a violation of our rules, it is unhealthy and more than unpleasant. This goes for common areas as well as Exclusive Use Areas (EUA).

We must always be aware of walkers on our roadsides, including when the school bus drops off, but into the evening hours especially. Many cars are driving TOO FAST. Modifications and/or additional speed humps may be required and are being considered if habits and behavior cannot be altered. Safety of its residents is the first priority of any Association, and Pond Place takes that responsibility seriously.

Richard Markham

REMINDERS: Our goal, as always, is to beautify our grounds, both exclusive use and common areas. In the past, many residents used common areas as dumping grounds for their debris. **We ask again that you do not dump your yard debris in these areas.** If you don't know your exclusive use area, please contact the Property Manager, Richard Markham. There are no "common" or "unassigned" areas behind or between houses, so someone may be raking leaves into your EUA, which you will be cited to remove. Conversely, do not rake your leaves into areas that may belong to someone else. Materials need to be removed from Pond Place, they cannot accumulate forever. They become harborage for pests and rodents, as well as a fire hazard. Should something ignite, fire could easily spread to our cedar-clad homes and sheds.

If you have concerns about dead trees that may be on common ground near your home, please contact the Property Manager, Richard Markham.

Don't forget to check out our new page (which is also posted online), called "Community Bulletin Board", where residents can post offers of help, such as: snow shoveling, dog walking, baby-sitting, etc., and items for sale/free. These offers should be sent to kimlazich@aol.com.

We have noticed that some residents are still driving far too fast so we want to alert you that the Avon Police Department will be coming in to issue tickets for excessive speed. Please be careful driving in Pond Place, remembering that we have a large population of walkers, both with and without dogs. It would be truly tragic if anyone were to get hurt, or worse.

Please remember to be a conscientious pet owner and POOPER SCOOP!! Thanks!
It really is disgusting to step in it. You certainly wouldn't want it on your own property.

Please visit pondplace.org frequently, to be up to date on all notices and happenings!

REMINDER: POND PLACE ASSOCIATION & TAX DISTRICT MEETINGS

All meetings are held in the Avon Room at Town Hall, Town of Avon. They are held on the fourth Monday of each month and begin at 7:00 pm.

A reminder board will be placed at the entrance to Pond Place the evening of the meeting.

All questions, comments or emergencies should be reported to our Property Manager, Richard Markham, Capstone Property Services, 860-278-6525 or by faxing a note to 860-278-5808. Please state your name, address and phone number and specify that you are a Pond Place resident.

In the case of fire or police emergency, always call 911 first.

“Contact us for a market evaluation. We have been very successful selling in Pond Place.”

DESIGN REVIEW:

Due to the layout of Pond Place, the proximity of homes to one another, and the designed architectural consistency of dwellings, activities involving the exterior appearance of dwellings and the landscaping of exclusive use areas are strictly regulated. Permission is required for re-staining a structure, tree removal, walkway/step replacement and repair, and any type of additions or alterations to structures (ie: decks, exterior doors and windows, etc.). The Building Guide has been distributed to all home owners, and is also readily available on the website. The [Exterior Modification Form](#) is included on the website. Make yourself a few copies to have on hand.

COMMUNITY BULLETIN BOARD

A place to submit items for sale or offerings of help, to all those within Pond Place.

No listings as of 4/12/2013
