## SPRING CLEAN UP NOTICE

### ATTENTION ALL RESIDENTS:

**The last day for spring clean-up will be on  
Saturday, April 11, 2020.**

Please make sure debris piles are being separated into 2 piles. One pile should be for sticks only and the 2<sup>nd</sup> pile can be for leaves, twigs & pine needles. These piles need to be left out by the road, no further than 5 feet from the road or you can put the piles on the common island in the cul-de-sac for pick up. DO NOT place piles on pea stone driveways. Please do not cover the pile of leaves with tarps.

**JH Services will be removing them throughout the next two weeks. The last day for pick up will be on Saturday, April 11, 2020.**

Your cooperation in this matter is greatly appreciated.
